Seven-time Grammy winner and Pollstar's three-time top female country touring artist, Carrie Underwood, will launch her "Cry Pretty Tour 360" in 2019. She will be joined by special guests Maddie & Tae and Runaway June for an all-female bill. The tour will feature a brand-new stage in the middle of the arena floor, creating a unique 360-degree setting to allow fans on all sides of the arena an intimate view of the concert. "I love performing in the round," says Underwood. "It's so much fun for me and the band to play in every direction and creates a much more intimate and immersive experience for the audience, even in a larger arena setting."
